To Whom It May Concern:

It is with great respect and gratitude that I put forward my endorsement of Sheriff Larry Kendrick for re-election in November, 2024.

Sheriff Kendrick has done more in these last years to improve the quality of the relationship with the surrounding counties than any Sheriff in prior memory. He has made the safety and security of all of our citizens his top priority and has often times worked right along side his deputies to resolve emergencies without a hint of self-interest or ego.

My respect for his compassion and the concern that he shows to his employees is boundless. He takes the time to know his people and to make sure that each of them is achieving more than just "assigned duties." He wants each and every deputy to succeed and advance their careers so that they can be better public servants and in turn, better citizens.

One of the hallmarks of a good Sheriff is his willingness to put the power and authority that comes with his position aside when considering all parts of a problem. Sheriff Kendrick does that effortlessly. He has the ability to look at each component of a situation and sift through all of them to come to the right choice.

I am glad to say that Sheriff Larry Kendrick has become not only my professional partner, but also my friend, and I highly recommend that he be re-elected to protect the citizens of Owyhee County for this next term.

Sincerely,

Mike Hollinshead, Sheriff
