

To The People Of Owyhee County:

My name is Richard Mack and I am a former Sheriff from Arizona. While serving as Sheriff I worked with seven other sheriffs from across the USA to sue the Clinton administration to stop the gun control and overreach associated with the Brady Bill. The U S Supreme Court agreed with us. Sheriffs have always had two primary duties. First and foremost, protect and secure the Rights of the People. Second, keep the peace and enforce the law. Now the threats against American Liberty are at an all-time historic high. We absolutely must have sheriffs in America who understand this! The good news is that your current Sheriff does understand this. Larry Kendrick is the Sheriff that has the courage to enforce the law and stand for freedom. We cannot afford anything less. For America, for Idaho, and for your families,

VOTE Larry Kendrick for Owyhee County Sheriff!
